READING SECTION

Read Amanda's blog about her job in a tourist hotel then answer the questions in full answer (10*2=20).

A Typical Week

Hi, my name's Amanda. I'm from Australia, but I work in a tourist hotel in Marbella, in Spain. I work very hard, but I'm very happy with my job. It's a good life here – and the weather is fantastic!

My job title at the hotel is Customer Service Assistant and I do a lot of different things every day. I love my job because every day is interesting. On Tuesdays and Fridays, I get up at six o'clock and I start work at seven. On those days I look after the children in the hotel. We play games, we sing, we dance and we do sport. We never watch TV because we're always outside in the sun. I finish work at three o'clock and then I go to the beach and relax. After that I sometimes go shopping with friends from the hotel.

On Wednesdays and Thursdays I get up late, at 10 o'clock, and I work in the hotel restaurant from 11 a.m. to 11 p.m. It's very hard work, but it's only for two days.

On Saturdays I get up at four in the morning and start work at five. I go to the airport to say goodbye to the tourists who are going home, then I pick up the new tourists and take them to the hotel. It's always an exciting and busy day! I finish work at about four o'clock in the afternoon.

And then on Sundays and Mondays I don't work. On Sundays I usually go for a walk in the mountains with my friends. The mountains are really beautiful and the air is clean and cool. I love it. And on Mondays I usually stay in bed and sleep until lunchtime. It's fantastic!
